## The GP Update - Study Day Live Course for Cornwall Training Hub in partnership with Kernow Health CIC Tuesday 2nd February 2021 10:00 - 16:00

Join us for a new and exciting **virtual** update course from the comfort of your home (or practice)! Keeping on top of all the changes to guidelines and the latest research can be a challenge, so we've done all the legwork for you. Our jam-packed online course is full of brand-new updates to help change your practice straightaway! Our GP presenters will share the most important new evidence, relating it to you, your patients and your practice.

### Why Study Day Live?

**Engaging content that delivers learning** - lots of varied, dynamic teaching and great cognitive anchors to hang the learning on, make it sticky and help you get it into practice. Focused learning activities to embed your learning.

**Interaction** - the opportunity to interact with the speaker, ask questions, take part in polls & quizzes and provide feedback.

**Flexibility** - option to tune in to the live online event and re-watch, at any time, for 12 months afterwards.

**Helpful resources that last beyond the course** - A copy of the printed handbook and 12 months access to our online handbook and in consultation reference resource, covering 97% of the RCGP curriculum for primary care, at [www.GPCPD.com](http://www.GPCPD.com)

**CPD** - Certificate of attendance for 6 hours of participatory learning.
