

Red Whale

The Women's Health - Study Day Live Course for Cornwall Training Hub
in partnership with Kernow Health CIC on Thursday 7th October 2021 at 10:00 - 16:00

Join us for a new and exciting **virtual** update course from the comfort of your home (or practice)! Keeping on top of all the changes to guidelines and the latest research can be a challenge, so we've done all the legwork for you. From the pill to pelvic pain and periods... Our jam-packed one-day course provides a practical and comprehensive guide to understanding and managing common gynaecological problems in general practice.

What will be covered?

On this course the subjects are covered in much greater depth than is possible on the general GP Update course. We cover as many of the following gynaecological topics relevant to primary care as we can pack into the day and that you want us to talk about:

We look at:

- Menopause and HRT
- What's new in contraception
- Causes of pelvic pain
- Abnormal uterine bleeding
- Fertility and preconceptual care
- Ovarian cysts
- Dealing with vulval problems
- Post-coital bleeding and the 'abnormal' cervix
- Benign breast disease
- Incontinence and prolapse
- Vaginal discharge
- Sexual health in primary care
- PCOS and amenorrhoea
- PMS

What to expect on the day...

Engaging content - lots of varied, dynamic teaching and great cognitive anchors to hang the learning on.

Interaction - the opportunity to interact with the speaker and ask questions.

Flexibility - option to tune into the live online event and re-watch, at any time, for 12 months afterwards.

Click here & watch the video to get a sneak peak of what's in store for you at Study Day Live!

Continue your learning...

Your learning doesn't just stop at the the end of the online course. In addition to the printed handbook, you will have access to **GPCPD.com**, our fully searchable web-based resource updated throughout the year and covering more than 95% of the essential knowledge, skills and competencies for primary care as defined by the RCGP. Which means you can continue your learning for up to 12 months after the course.

WHAT WILL I GET?

- 6 hours of practice-changing online teaching
- Course attendance certificate and 6 CPD credits
- A copy of the Women's Health Handbook packed with additional content
- Plus 12 months FREE online access to GPCPD.com

CLICK HERE TO BOOK:

<https://www.kernowhealthcic.org.uk/cornwall-training-hub/courses/course/red-whale-womens...7th-october-2021/>

Please book your place on the course by Friday 17th September in order to receive a copy of the printed handbook in time for the live course. Red Whale will email you a link to access the live course around 1 week before the live course date.
